Document ID: HR-POL-LV-2025-06	Version: 3.2	Effective: 01 April 2025
Owner: Human Resources Department	Classification: Internal	Next review: 31 March 2026

1. Purpose and Scope

This Employee Leave Policy governs all categories of paid and unpaid leave available to employees of Infovance Technologies Pvt. Ltd. ("the Company") for the financial year 1 April 2025 to 31 March 2026. It applies to all full-time employees on the Company rolls across the Human Resources, Information Technology, Finance and Engineering departments at the Noida headquarters and any associated delivery centres. The policy is framed in alignment with the applicable provisions of the Uttar Pradesh Shops and Commercial Establishments Act, the Maternity Benefit Act, 1961 (as amended by the Maternity Benefit (Amendment) Act, 2017), and the Company's internal service rules.

Interns, contractors, retainers and third-party vendor personnel are not covered by this policy and are governed by the terms of their respective engagement agreements. In the event of any conflict between this policy and a specific clause of an individual employment contract, the more favourable interpretation to the employee shall ordinarily apply, subject to review by the Head of Human Resources.

2. Leave Year and Accrual

The leave year corresponds to the financial year (April to March). Earned Leave and Casual Leave accrue on a pro-rata monthly basis from the date of joining. Employees who join mid-year will have their entitlement calculated proportionately to the number of completed months of service in the leave year. Leave cannot be availed before it is accrued, except where the Advance Leave provisions in Section 9 apply.

3. Categories of Leave and Annual Entitlement

Leave Type	Annual Entitlement	Carry Forward	Encashable	Notice Required
Casual Leave (CL)	12 days	Not allowed (lapses)	No	1 working day
Earned Leave (EL)	15 days	Up to 45 days	Yes (on EL above 15)	7 working days
Sick Leave (SL)	10 days	Up to 15 days	No	Same day / on return
Maternity Leave	26 weeks	Not applicable	No	8 weeks prior (where possible)
Paternity Leave	5 days	Not applicable	No	2 weeks prior (where possible)
Bereavement Leave	3 days per event	Not applicable	No	On occurrence
Optional Holidays	2 days	Not allowed (lapses)	No	3 working days

3.1 Casual Leave (12 days)

Casual Leave is intended for short, unforeseen personal requirements such as attending to urgent personal work, minor illness not requiring medical certification, or family commitments. CL may be availed for a maximum of three consecutive days at a time. Casual Leave cannot be clubbed with Earned Leave or Sick Leave. Unused Casual Leave lapses at the end of the leave year and is neither carried forward nor encashed. Applications should reach the reporting manager at least one working day in advance, except in genuine emergencies.

3.2 Earned Leave (15 days)

Earned Leave (also referred to as Privilege Leave) is intended for planned absences such as vacations or extended personal travel. EL must be applied for at least seven working days in advance to allow for resourcing adjustments. A maximum of 45 days of Earned Leave may be carried forward into the next leave year; any balance above 45 days will lapse unless it has been encashed. Earned Leave above the 15-day annual entitlement may be encashed once per year during the March payroll cycle at the rate of (Basic + Dearness Allowance) / 30 per day.

3.3 Sick Leave (10 days)

Sick Leave is granted for absence on medical grounds. For any sickness absence of three or more continuous days, a medical certificate from a registered medical practitioner must be submitted to the HR team within three working days of returning to work. Up to 15 days of unused Sick Leave may be carried forward; Sick Leave is not encashable under any circumstances. Habitual or pattern-based use of Sick Leave (for example, recurring single days adjacent to weekends) may be referred for review.

3.4 Maternity Leave (26 weeks)

In accordance with the Maternity Benefit (Amendment) Act, 2017, a woman employee is entitled to 26 weeks of paid Maternity Leave for the first two surviving children, of which not more than eight weeks may be taken before the expected date of delivery. For the third child onwards, the entitlement is 12 weeks. A female employee who legally adopts a child below the age of three months, or a commissioning mother, is entitled to 12 weeks of leave from the date the child is handed over. Employees are requested to notify HR at least eight weeks in advance where the situation permits, so that maternity benefits, insurance and work-handover can be arranged.

3.5 Paternity Leave (5 days)

Male employees are entitled to five working days of paid Paternity Leave, which must be availed within 30 days of the date of birth or adoption of the child. Paternity Leave may be taken as a single block or split into two instalments with prior approval.

3.6 Bereavement Leave (3 days)

Three days of paid Bereavement Leave are granted on the death of an immediate family member, defined as a spouse, child, parent, sibling, or parent-in-law. Where travel to a distant location is required, the reporting manager may permit additional days to be adjusted against Earned Leave.

3.7 Optional Holidays (2 days)

Employees may select two Optional Holidays per calendar year from the published restricted-holiday list, in addition to the gazetted holidays in Section 7. This allows employees to observe festivals of personal or regional significance. Optional Holidays must be applied for at least three working days in advance and cannot be carried forward.

4. Leave Application Process (Self-Service Portal)

All leave must be applied for through the InfoPeople employee self-service portal (portal.infovance.com). Verbal or email-only requests will not be treated as formal applications. The standard steps are:

- Log in to **portal.infovance.com** using your single sign-on credentials.
- Navigate to **My Workspace** → **Leave & Attendance** → **Apply for Leave**.
- Select the leave type, start date, end date and (if part-day) the session.
- Enter a reason and, for Sick Leave of three or more days, attach the medical certificate.
- Nominate a backup colleague for work coverage where applicable.
- Submit. The request is routed automatically to your reporting manager and to HR.
- Track the status under **Leave** → **My Requests**; you will receive an email and portal notification once it is actioned.

5. Approval Workflow

The standard approval flow is a two-level workflow: the reporting manager is the first approver, and Human Resources performs the final validation against leave balances and statutory entitlements.

Stage	Approver	Action	Service Level
1	Reporting Manager	Approve / reject / request modification	Within 2 working days
2	HR Operations	Validate balance and statutory eligibility	Within 1 working day
Escalation	Department Head	Resolve disputes or extended leave (> 10 days)	Within 3 working days

If a manager does not action a request within two working days, the system sends an automated reminder; after four working days the request is auto-escalated to the Department Head.

6. Leave Without Pay (LWP)

Leave Without Pay may be sanctioned only when an employee has exhausted all applicable paid-leave balances and a genuine need persists. LWP is not a matter of right and requires the written approval of both the Department Head and Human Resources. Key conditions are:

- LWP beyond 5 continuous days requires Department Head approval; beyond 20 days requires additional sign-off from the Head of HR.
- Each day of LWP results in a deduction of (Gross Salary / number of days in the month) from monthly pay.
- Continuous LWP exceeding 30 days may affect Provident Fund continuity, insurance cover and the annual increment eligibility for the relevant appraisal cycle.
- Unauthorised absence of more than 8 continuous working days without intimation may be treated as abandonment of service under the Company's service rules.

7. Public (Gazetted) Holidays — Calendar Year 2025

The Company observes the following gazetted holidays for the Noida office. Where a holiday falls on a weekend, no compensatory off is provided unless mandated by law.

14	Christmas Day	25 December 2025	Thursday

Where Gandhi Jayanti and Dussehra coincide on 02 October 2025, employees are granted one gazetted holiday and may apply for an Optional Holiday for the second observance.

8. Holiday and Festival Working

Engineering and IT personnel rostered for production support or on-call duty during a gazetted holiday will be granted compensatory off, to be availed within 30 days, subject to manager approval and recorded through the self-service portal.

9. Advance Leave

In exceptional circumstances, an employee who has been confirmed in service may be granted Earned Leave in advance of accrual, up to a maximum of five days, against future accrual. Advance Leave requires Department Head approval and will be adjusted automatically against subsequent monthly accruals.

10. Queries and Contact

For clarifications regarding leave balances, encashment calculations, statutory entitlements or portal issues, employees may contact the Human Resources team at hr@infovance.com or visit the HR Operations desk on the 4th floor during working hours. This policy supersedes all previous leave policies and is subject to annual review.
